

OFGS Scholarships for Year 7 entry in 2019

The Oxford Falls Grammar School Board provides scholarships for boys and girls of outstanding academic potential entering Year 7. Current OFGS students are also encouraged to apply.

OFGS has a robust academic program and a contemporary focus on 21st century learning. We want to foster a love of learning and for our students to set themselves audacious goals. Over the years the OFGS Board has had the great pleasure of offering scholarships and seeing the successful recipients embrace the opportunities that lay before them at OFGS and beyond. It is a joy to see the wonderful young people appreciate a great school where academics and co-curricular interests are fostered.

OFGS offers extensive co-curricular activities as well as leadership opportunities. Students are encouraged to take advantage of programs such as music, dance, sport, debating and public speaking. A scholarship at OFGS does not merely provide financial assistance; it is also a symbolic representation of the culture of celebration of excellence and generosity fostered here.

ACADEMIC SCHOLARSHIP CRITERIA

Scholarship recipients demonstrate an ongoing exemplary approach to learning and a high level of academic performance and engagement. They are committed to high levels of participation in the school co-curricular program - particularly enrichment opportunities - and they demonstrate consistently high standards of citizenship.
